

Punnetts Town Community Primary School

Part of the Woodlands Federation

Prospectus 2017/18

“The pastoral support, guidance and care provided for pupils are outstanding” OfSTED

Dear Parents and Carers,

Punnetts Town C. P. School is a special place. We are a small, friendly village school, within a Woodlands Federation with Broad Oak School and Dallington School. Our children and families are at the centre of all that we do. We believe that childhood is a precious time and this underpins our aim to nurture our children's creativity, encourage their social development and create a love of learning within a culture of high expectations.

We enjoy positive partnerships with our parents and wider community, and have especially close links with Little Punnetts Pre-school which allows us to offer education from 2 – 11 years on the same site.

We are always happy to welcome prospective parents to visit us and see what makes us a fun, happy and special place to learn.

With very best wishes

Catherine Winter

Head of School

About Us

Punnetts Town is a Community Primary School; it opened in May 1879.

The school is at the western end of the village, 3 miles south east of Heathfield. Pupils attending the school live in Punnetts Town, Rushlake Green, Heathfield and the surrounding villages.

In 2006, a new extension was added to the Victorian School Building providing three new classrooms, cloakrooms and a new entrance/reception area for the school. There are a range of outdoor spaces for the children to play, including the Millenium Activity Area and a quiet area.

The School is a partner in the Heathfield Area Schools Partnership which includes the local Primary schools and Heathfield Community College.

The Woodlands Federation

In January 2008, Punnetts Town and Broad Oak CP Schools federated and began working in partnership as The Woodlands Federation.

In September 2014 the Federation was reconstituted to include Dallington CEP School. The Federation is led by an Executive Headteacher, Mrs Inez Morse and each school has its own Head of School.

This partnership has enabled three geographically close, rural, primary schools to work together to improve the learning opportunities for all of the pupils. At the same time as maintaining each school's unique character within a village setting.

Our Unique Qualities

At Punnetts Town School, your child will be part of a school where:

- There is a caring family atmosphere
- Children are valued and treated as individuals
- There are high expectations of learning and behaviour
- Children are encouraged to be part of a wider community
- Your child's happiness is important

We have developed a learning environment that is:

- Happy
- Safe
- Caring
- Inspiring
- Full of opportunities

We are dedicated to pursuing excellence through:

- A stimulating and well resourced environment
- Enthusiastic and energising staff
- The development and encouragement of everyone at Punnetts Town
- Raising self-esteem and awareness of others
- Encouraging respect

We deliver an exciting and relevant curriculum through:

- Excellent and enthusiastic teaching
- Innovation
- Encouraging reflection and thinking skills
- Providing opportunities to broaden creativity and self-worth
- Celebrating achievements with each member of our school community every step of the way

Our Vision

Our Vision Statement

At Punnetts Town Community Primary School, we recognise that we are privileged to share in the responsibility for the development of the children in our care.

The staff and governors are committed to working together for the benefit of all the pupils in partnership with their parents/carers. Together, we aim to realise the unique potential of each child within a caring and stimulating environment.

Our Challenge Week

“Parents are supportive of the school, full of praise for the education it provides for their children.”
Ofsted 2014

Our Results

Assessments

In line with statutory requirements, our year 6 pupils have National Curriculum tests and assessments. These are currently in maths, writing, reading and in spelling, punctuation and grammar and assessments are also made at the end of the Foundation Stage and at the end of Key Stage 1. Teachers regularly review children's progress throughout their schooling. The results of all these assessments are communicated to parents /carers through the Annual Summary Report.

The latest published attainment at Key Stage 1 - 2017

The teacher assessment results achieved by our pupils at the end of Year 2 were as follows:-

% Achieving Expected Standard

Reading	73%
Writing	73%
Mathematics	64%

% Achieving Greater Depth

Reading	27%
Mathematics	18%

The latest published attainment at Key Stage 2 - 2017

The SAT results achieved by our pupils at the end of Year 6 reflect the full range of abilities within our small classes and demonstrate the high achievement attained by our more able pupils at level 5 and above.

% Achieving Expected Standard

Reading	94%
Writing	88%
Mathematics	88%
Reading, Writing and Maths Combined Expected Standard	88%

% Achieving Higher Standard

Reading	47%
Writing	18%
Mathematics	35%
Reading, Writing and Maths Combined Higher Standard	6%

“Teachers make lessons interesting and pupils respond well, showing a real desire to learn.” Ofsted, 2014.

Our Children

We believe that Punnetts Town CP School is a special place for children to learn, make friends and celebrate their achievements.

But don't just take our word for it, read what our children think about their school:

'The teachers are always there for you and help you out.'

Yr 5 pupil

'We can make things all on our own.'

Reception pupil

'I like learning the action songs.'

Reception pupil

'There are lots of activities and things to do in the playground.'

Yr 4 pupil

'I like that in assembly everyone can hear the news and you can get your certificate.'

Yr 6 pupil

'The teachers always help you if the work is difficult.'

Yr 3 pupil

'There are good teachers and good school cooks.'

Yr 4 pupil

'I really like the people that come here. They make really good friends.'

Yr 2 pupil

'I like the way maths is taught.'

Yr 3 pupil

'I started this school in year 3 and have made many friends and joined loads of clubs and have got bags more confidence.'

Yr 6 pupil

'School is really good because everyone is good friends with each other.'

Yr 2 pupil

Our Reception Class

Admission to Reception Class at Punnetts Town School

Our Reception pupils come from a range of nurseries and pre-school groups, including Little Punnetts Pre-School which is located within the main body of the school. We have developed a shared learning area with Little Punnetts.

All children who are due to start in Reception will have the opportunity to experience play sessions at our school before their first day.

To help children feel part of our school family, a planned transition programme takes place for every child to ensure that the very important change to primary school life happens as smoothly as possible, both for child and parents!

Our Reception class teacher will visit the children in their pre-school setting and opportunities to meet with parents are planned so that we have all the information that we need to support your child in the best way that we can.

As a Community Primary School, the County Council makes the arrangements for the admission of children to our school at age 4+. A detailed description of the arrangements is contained in the East Sussex County Council booklet 'Applying for a school for your child 2017 - 2018' * this booklet is available from our school office.

* A copy can be obtained from; School Admissions Section, Education department, P.O. Box 4, County Hall, St. Anne's Crescent, Lewes. BN7 1SG (tel:01273 481310.). A copy is also available for inspection in the school

Our Reception Class

The Foundation Stage

Our Foundation Stage pupils are located within Beech classroom. It is a distinct stage and one in which play is vital, with child-initiated activity combining with teacher-led sessions.

Learning takes place through first hand experiences, focussing on the children's interests. Planned and purposeful activities provide opportunities for teaching and learning both indoors and outdoors. There is a designated outdoor play area for the Reception pupils.

The curriculum is split into three prime areas and four specific areas:

Prime Areas:

- Communication and language
- Physical development
- Personal, social and emotional development

Specific Areas:

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

“The youngest children get off to a good start in the Reception class. Children are well supported in their learning and make good progress.” Ofsted 2014

The Primary Years

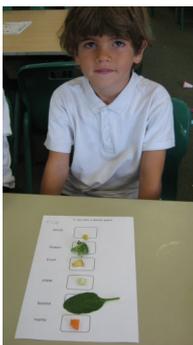

Key Stage One

There is time for free choice play and structured play throughout Key Stage 1. This continues to allow children the opportunity to express themselves, develop new skills and build up their relationships with other children. It also gives them the opportunity to use their imagination and take the role of different characters.

Topic work becomes an increasing part of curriculum time as the children expand their knowledge and skills. This forms an essential part of the children's learning about the wider world around them.

Science and technology form an important base for the majority of topics, whilst other topics are based on geographical, historical and religious themes.

Artwork also plays a valuable role in topics and in its own right. Information regarding topics is given to parents three times a year.

The children are also encouraged to explore sound, rhythm and melody in

music, using both tuned and un-tuned instruments. In P.E. the children continue to develop their gymnastic, dance and games skills.

The Primary Years

Key Stage Two

Throughout Key Stage 2 the threads of the curriculum from Key Stage 1 continue.

Cross curricular topic work allows the children to develop a greater understanding of the world, geographical and historical topics are covered more deeply. They are also encouraged to develop independent and co-operative ways of working.

The children have greater opportunities to use different mediums in art and to develop their musical skills. They also take part in music performances and festivals such as the Big Dance Extravaganza in Tunbridge Wells.

We build on what the children as learners already know and have a culture of high expectation.

Understanding is developed through enquiry, creativity and group problem solving. Children are taught skills for life. The children gain a greater understanding of playing team sports and take part in a variety of games within school and

against other local schools. We offer children the opportunity to take part in swimming, tag rugby, gymnastics, football tennis, hockey, netball and multiskills. The children help to plan and perform a Harvest Festival, a Leavers' Service at the end of the year and also take part in Christmas carol singing and a KS2 Summer Production.

We take a keen interest in children playing musical instruments and have offered peripatetic music lessons for a range of instruments.

Sporting Aims and Provision

All children are encouraged to take part in sporting activities. Our aim is to promote enjoyment, healthy exercise, sportsmanship, co-operation and teamwork. Being a smaller school, children have a greater opportunity to take part.

We encourage participation to the best of each child's ability. Excellence in all sport is celebrated at every opportunity in school and in both local and national competitions.

Children are taught to support and encourage one another - both in victory and defeat. As part of the P.E. Curriculum, different games and skills are taught throughout the year. We compete in a variety of sports including cross-country running, dance,

football, netball, tag-rugby, stoolball and swimming.

The school has a large, level playground enabling us to deliver high quality P.E. We aim to widen children's sporting achievements by taking part in a variety of tournaments, festivals and individual games with other schools. These may be competitive, against other teams, or purely for enjoyment.

We compete in inter-school cross-country running, football, tag-rugby, netball, and swimming. We are working with Heathfield Community College and other local primary schools to develop sporting links between schools.

We have been awarded the Sainsbury's School Games Sports' Mark Award 2016 at Gold Level.

Educating Minds, Bodies and Souls

Extra Curricular Activities

We value the importance of offering children a wide range of educational and sporting activities out of school hours. We believe that our children benefit from these additional activities, gaining valuable skills and discovering new strengths that will give them a solid foundation for their future ahead.

Extra Curricular Activities and Clubs over the last year have included the following:

- Cross Country Running
- Recorder lessons
- Cookery
- Guitar Lessons
- Tag Rugby
- Football
- Netball
- Multi-skills (sports activities)
- Art
- Stoolball
- Warblers (church-based activities)
- Clubs run by outside organisations in the school and open to our school pupils include Judo and Street Dance, Irish Dance., Drumming and football.

Music lessons are offered by the East Sussex Music Service and are taught by peripatetic teachers at the school during or outside school hours. Other private music teachers also provide music lessons.

In addition to the educational visits made in connection with cross-curricular topics, groups of Year 5/6 pupils take part in residential visits and we have held very successful joint year 4 residential (with Broad Oak and Dallington), which we intend to repeat this year.

Our Community—Communication with Parents

Communication with Parents

As a small village school, we pride ourselves on knowing each individual family that forms our school community and working together in partnership is crucial to the well being of the children in our care.

Your first point of contact is always your child's teacher.

Parent/Teacher Consultations

Parent Teacher Consultations to discuss pupil progress and welfare are held in the Autumn Term and in the Spring Term. Towards the end of the Summer Term the Annual Summary Report is sent home giving a written account of progress during the school year, results of end of Key Stage National Curriculum (NC) assessments and pointers for future development.

Communication

Opportunities for shared learning are held throughout the year. These are opportunities for teachers and children to share with parents their work and achievements. A 'Learning Journey' is sent home 3 times a year to inform you of the term's curriculum to help support learning at home.

Curriculum evenings and workshops are held from time to time to keep parents informed about developments and approaches being utilised in our teaching, or to explain new initiatives.

Parentmail and Newsletters are sent out with the aim of keeping parents and carers informed about school life.

The school has a community notice board located in the atrium to help keep parents

and carers informed of school and local activities.

Parent Volunteers

At Punnetts Town Community Primary School we place great emphasis on an active partnership between home and school. We have working groups for parents that help on a regular basis or for special projects, visits or sporting activities. An extra pair of hands is always useful in a busy primary school. Staff and children welcome this help; it strengthens the bond between home and school and it assists in the quality of education we are able to offer. Parents find it can also help them learn new skills and it is fun! Sometimes, for local visits or sporting events, members of staff or volunteer parents transport pupils by private car, these are all kept on a register, updated annually. The school has a code of conduct for all volunteer drivers.

***"Pupils are proud of their school
and keen to welcome visitors."
Ofsted, 2014***

More About Us

School Meals

School meals are prepared and cooked in the School Kitchen. The menu is planned with healthy eating in mind; we can provide a vegetarian option. If a different diet is required for a medical reason parents can consult the School Cook and inform the school office. Bookings for meals are made on a daily basis; this flexibility enables families to opt for the meal choice that suits them best on a day-to-day basis. All pupils in Years Reception, 1 and 2 are entitled to a free school meal.

Morning Snacks and Drinks

Children up to the age of 7 years (Years R to 2) are provided every day with a mid-morning snack, fruit or vegetable through the NHS 5-a-day project. Older pupils are encouraged to bring a healthy snack to school or they can purchase fruit. Children up to the age of 5 years are provided with free milk. Children over 5 years may purchase milk, at a subsidised price, for their mid-morning break. All children are encouraged to bring a bottle of water to school

What We Do Well—Recent Highlights

Highlights

Whilst our activities change from year to year, the list of events below has been included to give you a flavour of life at Punnetts Town School and the extra interests that have enriched the children's education.

Special Activities

Woodlands Federation Punnetts Town CP School is federated with Broad Oak CP School and Dallington CEP School

HASP: Punnetts Town CP School is a member of the Heathfield Area Schools' Partnership (HASP)

Woodlands Federation

Woodlands Federation was set up in 2014 as the first primary three-school federation in East Sussex. Our aim is to secure a good education in all of our communities; each school retaining its own individuality, whilst seeking to work together to improve the educational experiences for all our children.

Our goal is for every school in the Woodlands Federation to drive for, and achieve, excellence.

We will review our schools' development plans regularly to ensure they enable us to achieve our goals and objectives.

You are assured a warm welcome at any of our three schools.

Woodlands Federation board of governors:

Simone Foy Joint chair, parent governor
Sam Gleadow Joint chair, co-opted governor
Steve Clark Vice Chair, foundation governor
Inez Morse Executive Headteacher
Alison Doig LA governor
Kevin Rennie Co-opted governor
Rev'd Marc Lloyd Foundation governor
Tony Welford Co-opted governor
Sarah Thorby Parent governor
