Newsletter Friday 30th November 2018

Parents/ Carers,

We all enjoyed the performance given by Brian Moses to the whole school and on this visit KS2 worked with him in their classes generating ideas for their own writing. Please see his blog for 'published' work from our school

We are looking forward to a newsletter from Brian and for information about a competition that Brain will be running for the children.

The school is looking very festive and our thanks go to all of you who were able to come and support the children during decoration morning, which was a very creative, enjoyable morning .

We would like to thank you for supporting Children in Need. The School Council did a marvellous job of holding the buckets for your donations and thanks to your generosity we raised an incredible £153.34 for Children in Need.

Our congratulations go to our Yr 5 & 6 boys and girls who participated in the HASP netball tournament, placing an impressive 5th place. Well done!

This term we have said good bye to Mr Molyneux who has finished his placement with us and has moved onto new ventures. We also say goodbye to Mrs Ackerman, when she completes her placement on Tuesday. We thank them both for their dedication, hard work and support during their time at Punnetts Town.

Our thanks go to our Year 6 ambassadors who have done a marvelous job of showing prospective parents around the school and to members of friends for providing refreshments on both mornings.

Elm have been learning Carols in preparation for tonight's Federation Carol Concert and I am very much looking forward to seeing them sing this evening.

We have an opening for a Midday Supervisory Assistant starting January 2019. If you are, or know of anyone that may be interested or you would like more information on this position, then please contact the school office.

Kind regards,
Catherine Winter
