Executive Headteacher of Woodlands Federation: Mrs Inez Morse

Be the Best You Can Be!

Newsletter: Friday

Dear Parents and Carers

Snow procedure

If we have very bad weather and need to close the school this winter, this is the procedure: If the snow or ice comes over night, a decision will be made close to 7am as to whether it is safe to open the school. If the decision is taken not to open then a notice will be placed on our website, ESCC website, radio Sussex and a parent mail sent. You can also sign up for an 'alert' from ESCC to get a message if our school is closed. The ESCC website is updated around every 5 minutes. If we need to close during the day, we will Parentmail for parents to come and collect their children as quickly as possible.

Crossing Patrol

The ESCC lady that looks after the crossing patrol has asked me to highlight to the parents that they should use the crossing patrol. she said that there are parents that will walk to the end of the barrier and then cross without the patrol stopping the traffic putting themselves and their child at risk. If they are not used we have a risk of loosing them.

Can you add this to the newsletter in bold if possible as the parents would be the first to complain if the volunteers decided to give up and not do the job

An invitation to a Christingle Service at All Saints' Church

Christingle service that we are holding at All Saints' Church on Sunday 15th December at 4pm. As you know, in previous years Broad Oak School have had their own Christingle service at All Saints' but decided not to this year due to reduced numbers. However, Claire has confirmed that they would like to be involved with our main Christingle Service instead on the 15th, which is wonderful. I gather there are also one or two budding musicians who would like to be involved from the school as well which is great. It would be great to have the primary schools from the local area involved with this wonderful service, which is held each year in support of the Children's Society -
