

English

This term we are reading stories from different continents and writing lists of items needed in each continent, captions for pictures, information sheets and postcards, all using and descriptive language. We will continue with guided reading and individual readers and phonics phases 3 to 5. Year 1 will be practising their cursive letter writing.

Mathematics

This term we are focusing on doubling and halving to 10. Year 1 will be learning about numbers up to 100 and will learn to partition tens and ones.

Science

We will be learning about worms and what they need to live. We will visit Pork Lympe and learn about animals and their habitats.

Arts and design technology

Safely using and exploring a variety of materials, tools and techniques

Assembling, joining and combining materials.

Generating ideas from their own and others' experience.

Developing ideas by shaping materials and putting together components.

Investigating art from around the World.

Technology

We will be researching continents, children will be using technology to source information about their chosen country within a continent.

Mrs Black and Miss Christian

RE

We are learning about the different Bible stories in chronological order.

PE

Balls skills is a focus in PE. Learning to work with partners or as a group using balance, coordination and using their bodies in different ways.

PHSE

In PHSE we will be learning what makes a good friend, and naming parts of the body.

Geography/History

We will learn the names and size of the continents locating countries within them.

Whilst visiting Port Lympe we will be matching the animal to the correct continent.
