- complete a minimum of three tasks during Term 5.
- You can focus on these after SATs if you would prefer or you may find one, or more, of these to be a mindfulness activity

Make a sketchbook to use at home, using as many different types of paper as you can find.

Practise drawing from observation. Choose a range of interesting objects to depict drawing pattern, shape and form.

Make a collection of natural objects mixing their subtle colours and details in a natural collage. Use a magnifying glass to help you look at the smaller areas of colour and pattern. Items might include flowers, leaves, stones and pebbles, shells and tree bark.

Find out about other artists from the past. For example by searching for examples in art books loaned from the local library.

Make an abstract sculpture in the style of the Dada artists. Explain your work to an adult and take a digital image so you can share it with others at school.

Create or do something of your choice.
