

English

Our first piece of writing will be based around the book 'The Great Chocoplot' by Chris Callaghan. We will be writing our own 3rd Person Narrative stories based around this.

We will then be writing our very own Journal, as if we were a child in the Mayan era.

Maths

Year 4 will initially be going over our **Times Tables**, ready in preparation for the Multiplication Check in week 2. We will then finish off our work on **Time**. We will then cover **Properties of Shape** before touching on **Position and Direction**.

Year 5 will be working on **Position and Direction** too at the start of the term. They will then look at **Unit Conversion**, before finishing the year with some work on **Volume**.

Art & DT

We will be looking at the history of mask-wearing in the Mayan civilisation as well as designing and making our own! The Mayan's wore three types of mask and the children will chose to design one of the following:

- Event mask
- Celebration mask
- Death mask

Maya Civilisation

Term 6 Oak Class Year 4/5

PE

We will be developing our tennis skills this term with Premier Sport on a Friday. As well as doing some Athletics in preparation for Sports Day on a Tuesday.

Computing

Can we believe everything we read online? We will be researching into Fake News, how news can spread so fast online and why do people create it.

RE

For our final term we will be learning about Commitment. What is commitment? When do we/others need to be committed?

French

We will be thinking about our journey to school, learning to say in French the various modes of transport we use and learning compass points.

RHSE

We will be focusing on enterprise and entrepreneurship. What sort of jobs will be available when we are older?

Humanities

We will be studying civilisations this term, with our focus being the Maya Civilisations. How different was their society to ours? What legacy did the Mayan's leave behind. What does the average day of a Mayan child look like? We will be building our own models of a civilisation too.

Music Our final term in music brings together everything we have learnt so far this year. Using our knowledge of Music History and musical terminology to break down and understand new tracks.

Science

Our topic this term is 'Animals Including Humans'. We will study the changes humans go through as they grow and the life-cycles of all other species.

Oak Class Home Learning – Term 6

<p>Option 1</p> <p>The ancient Maya developed a sophisticated calendar system. There were three calendars called The Long Count, The Haab and The Tzolkin.</p> <p>Research each of the three calendars. What were they used for? How long did each calendar last?</p>	<p>Option 2</p> <p>Build your very own Maya pyramid temple.</p> <p>Use as many recycled materials as you can find at home!</p>	<p>Option 3</p> <p>Create a fact file on a Mayan God.</p> <p>Why did they prey to your chosen God? What were they the God of? Were they an important God in daily Maya life?</p> <p>Illustrate your fact file too!</p>
<p>Option 4</p> <p>Read some Mayan Myths and write one of your own, illustrate it too.</p> <p>What magical powers will your hero have?</p>	<p>Option 5</p> <p>Research Mayan Art and create your own piece of artwork inspired by what your research finds.</p>	<p>Option 6</p> <p>The Maya farmed maize... Cook something with sweetcorn in it!</p> <p>The Maya discovered chocolate. Cook something with chocolate in it</p>

Alongside regular practice of:

- Reading x5 days a week for 5-10 minutes
- Using the given spellings to create sentences
- Multiplication booklet
- Complete your weekly Ed Shed assignments and enjoy playing any of their learning games

Please complete a minimum of three tasks from the home learning menu during this term.
