

Welcome to Punnetts Town Community Primary & Nursery School

Punnetts Town School is a small, friendly, village school.

We are privileged to have a school nursery and therefore offer education from 2 – 11 years.

We believe that childhood is a precious time, and this underpins our aim to nurture our children's creativity, encourage their social development and create a love of learning within a culture of high expectations.

Punnetts Town

We have 103 pupils on roll (school aged) and 23 currently on roll for our school nursery.

15 pupils are currently in Year 6 and will leave in July 2024

There are five classes at Punnetts Town School:

Little Punnetts class – Nursery children

Beech class – Reception

Hazel class - Year 1 and Year 2

Oak class - Year 3 and Year 4

Elm class – Year 5 and Year 6

Punnetts Town Vision and Values

Woodlands Federation Motto

In partnership, we grow and learn together.

Woodlands Federation Vision

*Our federation strives to do the best we can do for our pupils and their families,
And to be the best we can be!*

We Aim To

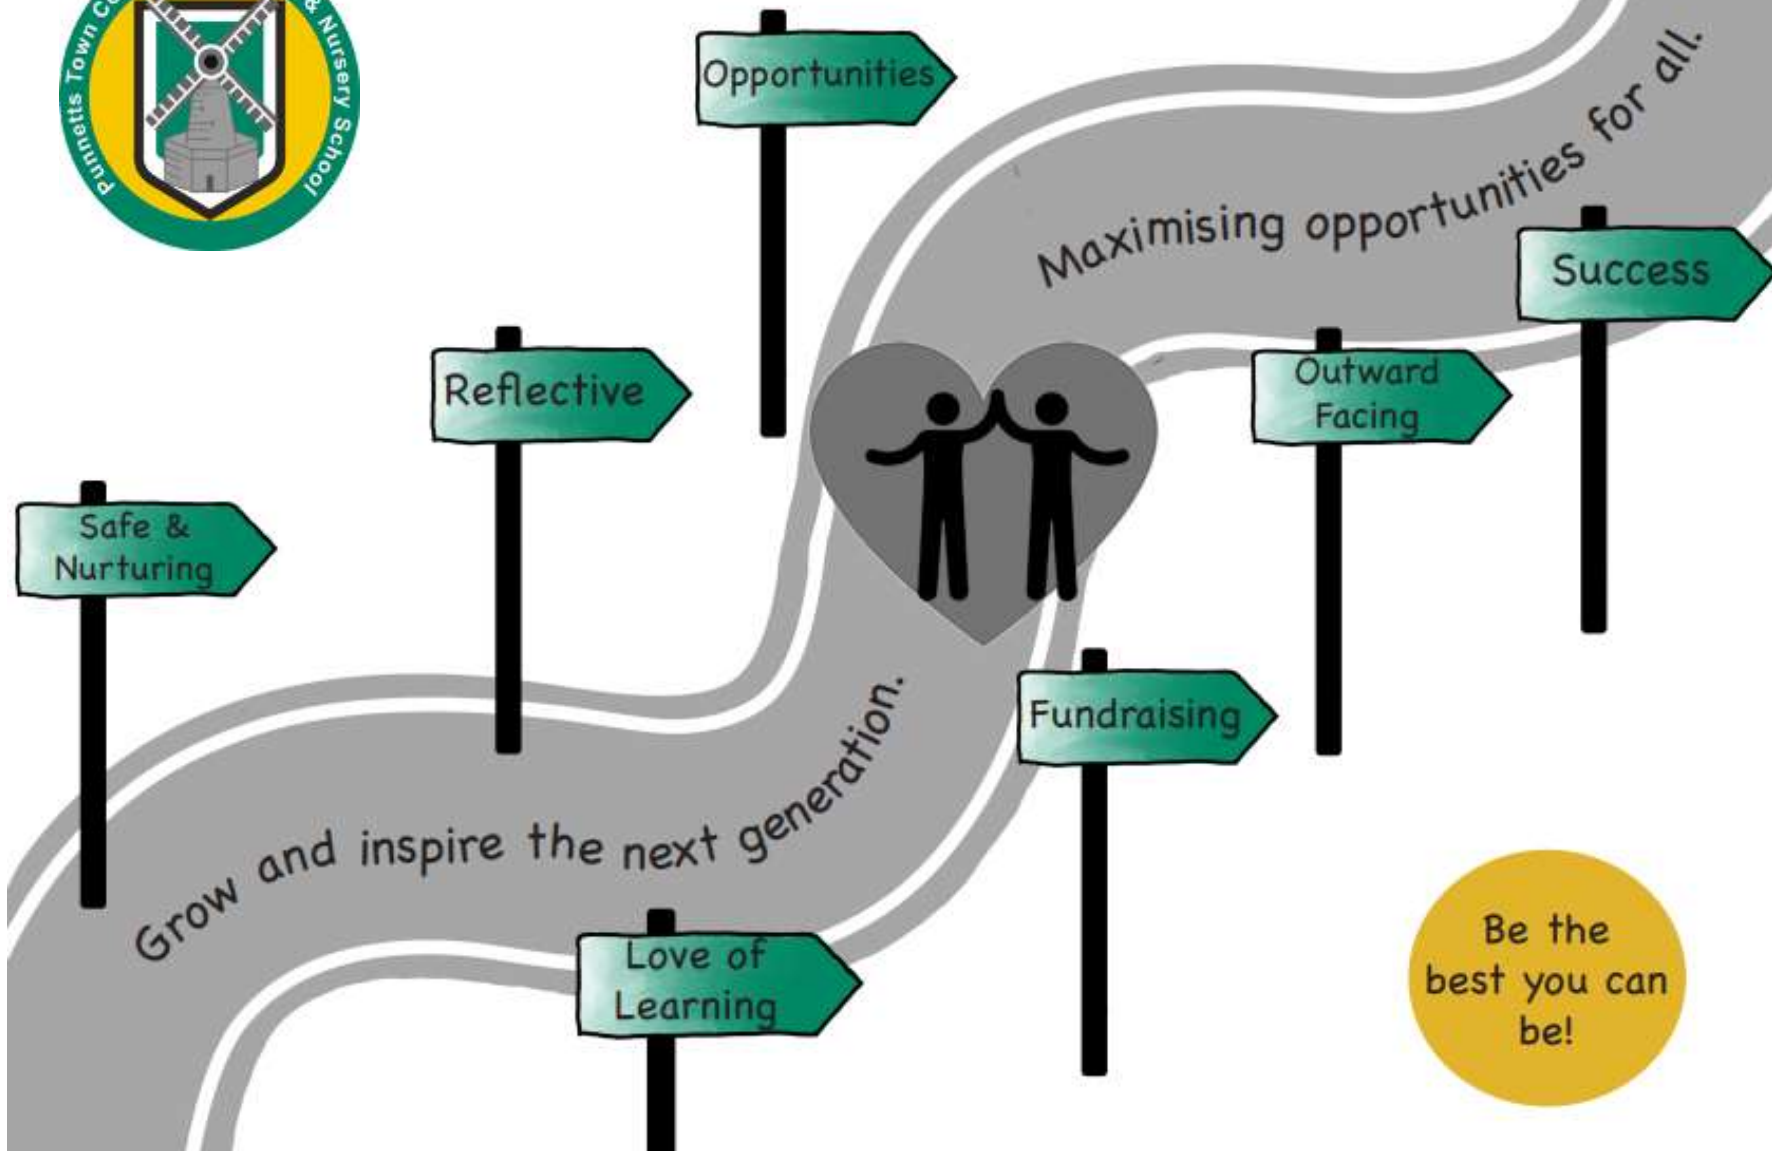

- Place our children and families at the centre of all that we do
- Nurture our children's creativity
- Encourage their social development
- Create a love of learning within a culture of high expectations
- Value all children and keep them safe
- Give them every opportunity to do their very best
- Provide an education which is inspiring, relevant and broad

Safe and Nurturing

The behaviour of pupils is good and they conduct themselves well throughout the day. They listen attentively in lessons and respond well to adults and to each other. Ofsted 2019

I like coming to school because it is a good school where I've made lots of friends. There is lots of space to play and nice equipment. Yr6

Safeguarding pupils is part of the schools culture and is everyone's responsibility.

We are a nurturing school. Everyone knows everyone and is always happy and willing to help.

We take time to get to know the children as individuals and met their individual needs.

Behaviour is good.

All children follow the schools vision and values and our positive behaviour policy.

Reflective

Be the
best you can
be!

The children are taught to be reflective in the choices they make and in their formal learning.

The children learn to work together and listen to feedback to improve further.

We develop growth mindset attitudes.

We learn to improve our own personal best!

I like playing with my friends, learning my times tables in maths, writing stories in English and swimming too, because as we learn, we get better.
