

Design Technology

Teddy Explorer – design and make a buggy for a teddy to explore.

Geography

Use globes and atlases.
Identify continents and oceans.
Identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

English

Phonics

Chapter 4b

a'/ai/, 'a'/o/, 'y'/igh/, 'y'/ee/ and 'y'/i/
'ou'/oo/, 'ou'/u/, 'ou'/oo/, 'ear'/ur/ and
'ear'/air/, zh/

Recap chapter 4b set 2 to 6

Assessment and application

Consolidation and intervention

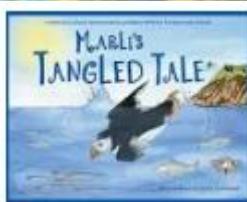

High frequency words by sight

Chapter 4c

Consonants

Spelling – rules 8-15

Writing – using knowledge of letter formation, knowledge of a range of genres and segmenting sounds to write a story with a powerful environmental message.

Science

Observe the season, winter, and compare to autumn. Keep a weather diary.

Plant seeds indoors, care for and observe them. Enquiry question: How do the things I plant change over time?

Sustainability: Why is it important to care for our planet? How can we care for our planet?

Geography

Use globes and atlases.
Identify continents and oceans.
Identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

PE

Gymnastics
Hit, run and catch
Attack and defend

Music

Tony chestnut
Carnival of the animals

History

Significant public figure: David Attenborough

Blue Planet

Hazel Class Key Stage 1 Terms 3 and 4

Computing

Creating Media: Digital writing and digital music

Outdoor learning

Winter

RE

Who is Muslim and how do they live?
What is Easter and what does it mean to Christians?

Wellbeing

Expressing yourself, thought gremlins, values, gratitude, challenges, circle of kindness

Art

Sculpture- use natural materials to create sculptures of sea animals.

Maths

Year 1

Place Value within 50 - To be able to count forwards and backwards within 50 and say one more/less. To count in 10's forwards and backwards. To use number lines.

Addition and Subtraction within 20 – to learn and use number bonds to 20. To find and make doubles and near doubles to 20. To subtract by counting back and finding the difference. To solve missing number problems

Length and height – to compare lengths and heights. To be able to measure length using standard and non-standards units.

Weight and volume – to measure and compare mass, volume and capacity.

Year 2

Addition and subtraction – to recognise number bonds to 100. To be able to add and subtract across a 10. To add two 2 digit numbers.

Shape – To be able to recognise and count sides and vertices on 2-D shapes and faces, edges and vertices on 3-D shapes. To know what is meant by a line of symmetry.

Money – to count money in pounds and pence. To find a total. To find change.

Multiplication and division - to make equal groups using grouping and sharing. To divide by 10, 5 and 2.

Home Learning Menu: Spring Term

Blue Planet: Wonderful World

History / Art

In term 3 we will be learning about the life, work and achievements of David Attenborough. Please create an A4 sized portrait of David Attenborough, showing his interests, using any materials you have at home (paint, collage, pencils, printing etc.) We will look forward to seeing your creations by 13/02/26. House points will be awarded.

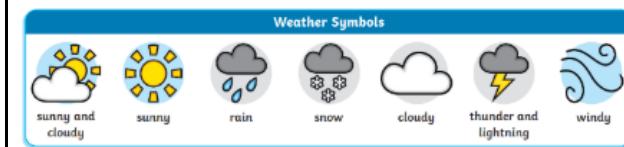

History

In term 4 we will be learning about the Titanic. Please create a poster, booklet, diorama or model related to the sinking of the Titanic. Due by 25/03/26 for a small prize. Have fun!

Weather Watchers

Have a go at filling in the weather diary that will be sent home soon. We will compare the data to our diaries from the Autumn term.

Reading

Please read for 5-10 minutes every day, practising your phonics decoding skills and your comprehension skills. There are questions in your reading log to help you. Every time you read you get a house point. 3 entries in your reading diary get you a raffle ticket!

Ed Shed

Each week play games online in the phonics shed garden, for any sounds that you need to practise. Also have a go at the spelling shed assignments to practise that week's spelling rule ready for the 'spelling hive' on Friday!

Maths

Spend a few minutes each day learning your next set of fluency flashcards or working towards your next multiplication certificate. Maths Shed activities are also set on Ed Shed.

Progression in single digit addition facts										
+	0 to 10									
	0 to 10		Adding 10		Adding 9		Adding 8		Adding 7	
0	0+0	0+1	0+2	0+3	0+4	0+5	0+6	0+7	0+8	0+9
1	1+0	1+1	1+2	1+3	1+4	1+5	1+6	1+7	1+8	1+9
2	2+0	2+1	2+2	2+3	2+4	2+5	2+6	2+7	2+8	2+9
3	3+0	3+1	3+2	3+3	3+4	3+5	3+6	3+7	3+8	3+9
4	4+0	4+1	4+2	4+3	4+4	4+5	4+6	4+7	4+8	4+9
5	5+0	5+1	5+2	5+3	5+4	5+5	5+6	5+7	5+8	5+9
6	6+0	6+1	6+2	6+3	6+4	6+5	6+6	6+7	6+8	6+9
7	7+0	7+1	7+2	7+3	7+4	7+5	7+6	7+7	7+8	7+9
8	8+0	8+1	8+2	8+3	8+4	8+5	8+6	8+7	8+8	8+9
9	9+0	9+1	9+2	9+3	9+4	9+5	9+6	9+7	9+8	9+9
