History

Make a model of a Roman shield or of Hadrian's wall.
Will you make them out of cardboard? Lego? Papier-mâché?

FRENCH FOOD

Can you draw a picture of your favourite foods or meal and label it with the correct French words?

Can you make a poster about what uses a magnet! You could test what is magnetic at home and make a table of results to use in your poster. You could see if magnets are used in the kitchen or outside at all and what job they do? Present your poster in a clear, bright and fun way. We look forward to reading them.
